## **Mahan Barber Shop Is All Dressed Up Now**

---

The Mahan Barber Shop is all dressed up in a new coat of paint, bright new interior decorations, and ready to serve its customers with more comfort and convenience than ever before.

With the renovation recently done, Mrs. Mahan has seen to it that her Beauty Shop likewise has had all the touches of newness and neatness required to make it a place to suit the tastes of her clientele.

Mr. and Mrs. Mahan invite their friends to come to see them, with the assurance that they are able to give better service than before.
